<p>* The ASP is optional. The ASP provides for software updates as available, and for Retention Schedule software updates in digital format that can be loaded into the Retention Schedule Software as new schedules or updates are approved and published by the Texas State Library and Archives. The ASP also provides for scheduled Telephone Support from 9:00 AM to 4:30 PM.</p> <p>** Supports Retention Control Schedules in the Texas Local Government Format</p> <p>*** Supports Retention Control Schedules in the Texas State Agency Format</p> <p>ASP Prices apply to both one time, paid-up Institutional Licenses, and to Annual Licenses. The license allows software installation on unlimited stations within the licensing organization; no per-station accounting is required. <i>If a user allows an ASP to lapse, the ASP can only be renewed at the then-current ASP Price.</i></p>
